

Capital Allocators' Investment Management Operations Podcast - A COO's View on Building TIFF 2.0

David Brenner, COO at TIFF Investment Management, is featured on Capital Allocators' *Investment Management Operations* podcast with host, Scott MacDonald.

The conversation explores:

- David's career journey from consulting to asset management to ultimately becoming COO at TIFF.
- The transformation of TIFF from a product-centric to a solution-oriented investment firm (TIFF 1.0 to 2.0), while staying true to its mission-driven identity.
- TIFF's evolving board governance model, with the board serving as an active strategic partner in the firm's transformation.
- The importance of building strong, and scalable, operational foundations, especially in smaller organizations.
- How data is elevated as a strategic pillar alongside people, process, and technology.
- The role and integration of AI and automation in improving efficiency and decision-making.
- How technology is reshaping how TIFF processes, accesses, and interacts with investment manager information.
- How TIFF is responding to industry trends and client expectations.
