## TIFF Investment Management Appoints David Brenner as Chief Operating Officer

**Radnor, PA - January 19, 2024** - TIFF Investment Management (“TIFF”), an institutional asset management firm delivering comprehensive outsourced CIO (OCIO) and private markets solutions primarily to endowments, foundations, and other charitable organizations, today announced the appointment of David Brenner as Chief Operating Officer. His hiring follows the recent retirement of Robert Zion. David will be responsible for strategy and operations at TIFF, with oversight of the finance, operations, information technology, legal, compliance, and human resources functions.

Prior to joining TIFF, David spent eight years at Macquarie Asset Management, most recently as Global Head of Digital, Data & Products, where he led all areas of Macquarie Asset Management through a data and digital transformation. Brenner also spent more than a decade at UBS Global Asset Management, where he served as Chief Operating Officer (Americas).

“I am honored to join TIFF Investment Management to build upon the stewardship of Robert Zion and the current team as they safeguard our 33-year legacy and adapt it to meet the most current needs of our clients,” said David. “I look forward to working closely with my teammates at TIFF in helping clients achieve their missions.”

In addition to David’s appointment, TIFF has promoted Zane Hamid, formerly Head of Operations, to Member Strategy Director, Head of Strategic Client Initiatives, a newly created role within TIFF’s client facing group. He will report to Jessica Portis, Head of Member Portfolio Management and Services. Zane, a 17-year veteran of TIFF, will continue to oversee the Member Services team and serve on the Business Management Committee.

Anuja Navaratna will assume Zane’s previous role as Head of Operations. Having joined TIFF in 2011, Anuja oversees investment operations, reporting & analytics, and data administration functions within the firm. Anuja will report to David Brenner.

“TIFF is grateful for the impact Robert Zion made on our employees and clients in his years of

service as Chief Operating Officer. We wish Robert well in retirement,” said Kane Brenan, CEO of TIFF. “We are thrilled to welcome David and to recognize Zane and Anuja in their new roles, and we look forward to the opportunities that lie ahead to continue to provide our clients with industry leading solutions.”

### **About TIFF Investment Management**

TIFF is an asset management firm dedicated to delivering comprehensive outsourced CIO (OCIO) and private markets solutions to primarily endowments, foundations, and other charitable organizations. Our primary objective is to enhance investment returns for our clients while also optimizing their costs and reducing their administrative burden.

For over 30 years, TIFF has strived to be the nonprofit community’s most trusted investment partner. We specialize in providing investment solutions that help our clients fulfill their mission and achieve their financial goals. We offer two primary solutions for our clients – comprehensive advisory solutions, and more specialized asset class specific solutions. As of June 30, 2023, TIFF manages approximately \$8 billion, including committed capital, on behalf of our clients.
