Endowments Can Obtain Alpha by Using Time-Tested Elements: Study

Endowments using time-tested principles can attain excess returns and long-term results above what the global economy and indices offer, according to recently released research.

TIFF Investment Management's Higher Education Endowment Results: Reflections on Recent Returns and Outlook for the Future whitepaper finds that institutions will attain alpha if they use equities as the cornerstone of their portfolios, alternative investments in a research-driven, intelligent way and pick public market managers using a set of key characteristics.
