Location: Radnor, PA

Firm: 73-person firm managing \$9 billion for approximately 600 US non-profits

Compensation: Competitive compensation and benefits package

Culture: mission-driven, cross-disciplinary, intellectually rigorous approach

Organizational Overview

TIFF was founded in 1991 by a network of foundations and is a mission-driven, not-for-profit organization dedicated to delivering investment solutions to foundations, endowments, and other charitable institutions. Since its inception, TIFF has exclusively served the non-profit community by providing experienced manager selection and access, risk-sensitive asset allocation, and integrated member service to institutions with long-term investment horizons. TIFF provides major endowment investment capabilities to non-profits that lack the scale and in-house resources to pursue sophisticated investment strategies on their own. TIFF Advisory Services is the regulated advisory firm that administers the investment vehicles bearing the TIFF name. TIFF's mission, credo, and board membership can be found at www.tiff.org.

Position

As a member of the finance team, the successful candidate will contribute to a variety of projects related to multiple TIFF investment funds. The scope of this role will include, but is not limited to, oversight of all aspects of day-to-day accounting and financial reporting for assigned funds and will report directly to a fund accounting manager. The role will also provide exposure to private investment valuation techniques. Employment at TIFF offers the opportunity to engage with a team of finance and accounting professionals dedicated to a collaborative approach to furthering the diverse missions of our non-profit member organizations.

Responsibilities

- Oversee external administration, audit and financial reporting for assigned funds
- Review all reports prepared by the external administrators as part of the monthly NAV process including cash, investment position and P&L reconciliations, and member allocations for accuracy and completeness
- Perform reviews of annual financial statements prepared by the external administrators to ensure accuracy, completeness and compliance with GAAP
- Ensure periodic fund NAV, member reporting and financial reporting deliverable deadlines are met
- Identify exceptions and problems affecting accounting records and prices, communicating same to management, and assisting in their resolution
- Research, as assigned, certain securities in Fund portfolios for the purpose of ensuring proper accounting and valuation, including the use of Bloomberg
- Perform operational and financial due diligence on new and follow-on investments in a broad range of separate account and hedge fund managers
- Collaborate with other TIFF groups: Investment Team, Member Services and Fund Operations

Qualifications

- 2-4 years of experience in audit, preferably at a public accounting firm, with an interest and experience in the investment financial services industry
- Bachelor's degree and pursuing a CPA designation
- Familiarity with GAAP accounting principles and valuation methodologies
- Strong MS Office knowledge, specifically in Excel
- Initiative, a balance of quantitative and qualitative skills, excellent oral and written communication skills
- Strong interest in TIFF's mission to enhance the investment returns of non-profit organizations
