**Radnor, PA—September 22, 2021**—TIFF Investment Management, a nonprofit OCIO that exclusively serves endowments, foundations, and charitable organizations with \$7.7 billion AUM including committed capital, today announced that it has hired Matt Hoehn as a Director of the Member Strategy group and Co-Head of Customized Asset Allocation. In this role, Hoehn will be responsible for tailoring and customizing member portfolio asset allocations based on their unique characteristics and needs.

Hoehn joins TIFF from BlackRock where he was a Director on the Endowments and Foundations OCIO team and served as Chief Investment Officer for a number of the group's nonprofit clients, which were typically greater than \$100 million in market value. Prior to his tenure at BlackRock, Matt spent 14 years at Goldman Sachs Asset Management in the Global Portfolio Solutions and Quantitative Investment Strategies groups, where he researched, managed, and serviced a variety of institutional portfolios.

“From my initial conversations with TIFF, it was clear to me that TIFF is an investment-led firm with a unique ability to generate alpha and deliver outstanding customized service to nonprofit institutions,” said Matt Hoehn. “This is what attracted me to the organization and I’m incredibly excited to build upon TIFF’s legacy.”

“Matt has an incredible wealth of knowledge and experience working in markets and customizing portfolios for endowments, foundations, and other nonprofit institutions,” said Jessica Portis, Head of Member Portfolio Management at TIFF Investment Management. “His investment expertise will be a tremendous asset to TIFF and our members. We are delighted to welcome Matt to TIFF.”

“TIFF has served endowments, foundations, and charitable organizations for the past 30 years and our commitment to bringing on the best talent ensures we can continue to help our clients achieve their goals and fulfill their missions,” said Kane Brennan, CEO of TIFF Investment Management. “Matt’s expertise and passion to serve the investment needs of nonprofits make him an invaluable addition to the TIFF team and we could not be more pleased for him to join us.”

Hoehn earned a Bachelor’s degree in Economics and English from The College of New Jersey and a Master’s degree in Economics from New York University.
